Dear Fellow Members & Friends

Hope everyone came back recharged from the HOT Songkran Break despite the unstable political situation declaring a State of Emergency in Bangkok sending panic back home (*alamak*) again.

It did not rain but pour with the Mexican Swine Flu (*frequent travellers, do take precaution..*). The months ahead will be difficult & challenging with these economical & political etc. etc. factors.

May is full of Public Holidays in Thailand so 'When the Going gets Tough - The Tough goes Golfing'. 10 of us are going to Hua Hin for a R&R ☺☺.

Marked your calendar for our 29th Golf Meet at the Legacy, May 30th (Saturday), morning T-off.

We have started our 11th Community Project and had already raised Baht 123,500 ☺☺ so far. Those who wish to contribute you are most welcome to do so. The official opening to Chiang Rai, Wiang Kaen is scheduled to be either the 3rd or 4th Weekend in June. These upcountry trips are always 'soul fulfilling'; do join us if you can
