## E-News: Nov 2009

### Hi Members & Friends

Our last Golf Meet for 2009 held at Lakewood on 11<sup>th</sup> Oct (Sun), was well-participated with 51 players; connecting members from STCC + SAM. It was a fun Golfing day with many happy winners & all went home with prizes. *The Best Is Yet To Be ☺*

Our warm welcome to the following new members:

1. Alvin Tan
2. Krist Chaitkaratana

With the year coming to a close soon, we are now looking for 'new blood' to serve in Exco 2010. Drop us a line if you have some time to commit as we are fun-loving.

**What's Up:** Please marked your calendar & join us for these activities ok ...

With the **Baht 285k** raised from Silver Jubilee for our School Community Projects, SCOT have decided to leave more Singaporean footprints & continuing our mission in Baan Huay Khu School. We have started building our 12<sup>th</sup> School Community Project - a Male Teachers' Quarters at the cost of **Baht 350k**. The rest was raised when Nicholas Ng (**Baht 20k**), Angeline Cheong (**Baht 15k**) Simon & Shirley Teo (**Baht 70k**) responded to our appeal and topped-up the balance (*kho khun mak mak ka ☺☺☺*). Excess from these donation will be use to fund the purchase of needy stuff (*bringing warm to the Have-Nots*) etc. etc. when we go for the official opening, scheduled to be 3<sup>rd</sup> week Dec. We are planning a 3 Days (**Pay Your Own**) Trip & hope you could join us. ☺☺

*Recap: in 2007, we built a Female Teachers' Quarter - still well kept & maintained. We visited this school in May and found the urgent need of teachers' quarters to facilitate the increasing student population. Retaining teachers in this remote mountainous area is difficult due to housing problem. After much deliberation, we decided to help the school to ease the hardship of the teachers.*

The month of October had been 'emotional charged' for some SCOT's members, news of tragic accident resulting in the passing of loved ones and another with a lucky escape - rib injuries, all because of speeding cars. Hope all do take care while driving especially with the holiday seasons ahead.
