Aug 18th : Makan Singapore @ The Landmark Hotel

95 came & we celebrated our Nation's 47th Birthday with a BIG Red & White Party karaoking our beloved National Songs (Count On Me Singapore, We Are Singapore & Chan Mali Chan) performed by fellow Singaporeans. We 'let our hair down' & sang with gusto !!! Your support & attendance had added fond memories to our stay in Bangkok despite having missed out the 'real-thing' back home. It was great to have the NDP 2012 Goodies Bag shipped by Overseas Singaporean Unit, the Prima Black Pepper Sauce as door gifts as we enjoyed the Magnolia Ice-Creams (F&N). Many thanks to our prize sponsors : Foot Massage Vouchers (Darry Tan), Hotel + F&B Vouchers (The Landmark Hotel & Plaza Athenee). Last but not least, Richard Loh, our member who stand in as our camera-man & took the lovely & wonderful 'Kodak' moments

13th Chiang Rai Charity Trip : Aug 25-27

With the completion of 19th School Community Project at Ra Pakdee School located in Thoeng, we went to checkout the facilities. Many had came forward with their donation enabling SCOT to fund (Baht 150k) this joint project - toilet facilities for the students built at a cost of Baht 300k.

Pansy, Aileen, Hock Chuan, Benny, Dysler, Jenny & Dawn took off on 25.08 & we brought 'stuff' worth over Baht 90k worth (Blankets, Sweaters, T-Shirts, Medication, Snacks etc. etc.) for distribution and visited many villages & schools along the way

This is only made possible with your support to our School Community Projects in Northern Thailand & we will continue our effort to leaving more Singaporean footprints whenever possible ☺☺
