Hi Members & Frens

17.08.13 : Makan Singapore @ Montien Riverside - A great turnout of 113 including 21 children came in celebration of our Nation's 48th Birthday. It's always an event

where members strengthen existing bonds &

fostering new friendships. While having a hearty lunch on Singaporean's favorite, members were entertained with a compilation of Singlish videos downloaded from U-Tube. We ended the day with Bingo which raised Baht 8k for our 21st Community

Project. This event will continue to accumulate fond memories of our stay in Bangkok despite having missed out the 'real-thing' back home. We will keep our flag flying high. **Majulah Singapura** 😊😊.

25.08.13 : 50th Golf Meet @ Royal - 51 players in 13 teams came for a challenge. We were playing 'hide & seek' with the rain and managed to complete the game before dark. Luckily it was only passing rain. We always have great golfing fun & are grateful to our members for bringing their frens thus making our Meet a continued success 😊😊.

Our 21st Community Project has been identified & are presently raising fund (Baht 700k) to buy a Portable Cervical Cancer Diagnostic Equipment for The Queen Sirikit Centre for Breast Cancer (QSCBC) Out Reach Project. **Do Help Us Help Them** 😊😊😊
